No Upfront Development Costs or Capital Investment!

What is a Master Trainer Certification?

- (1) It certifies you to teach workforce readiness, diversity and self-help skills topics.
- (2) You will be certified, licensed and be given permission to use our workshop curriculum and workshop manuals to train people in your community.
- (3) This training will help you to start your own training program for people who do not want to (or cannot) go to college.

More Comments about our Courses

*"With States cutting budgets and transferring ex-offenders from prison and jails back to the community to save money, this will cause a void in inmate skill set development that is required to reenter 600,000 ex-offenders per year, back into the community. The demand for online training will be astronomical!!! Thank you for the Certified Reentry Master Trainer Program". **AM, Philadelphia, PA***
